SUMMARY

Dedicated Web Developer with a keen eye for detail and a passion for crafting exceptional online experiences. Currently pursuing an MSC in Computer Science at Pondicherry University to deepen my knowledge.

I thrive on translating creative concepts into functional web solutions. Beyond the screen, I enjoy staying updated with the latest tech trends and savoring a good cup of chai. Let's connect and discuss the possibilities of the digital world!

EXPERIENCE

Web Development Intern

Bharat Intern   **September 2023 – October 2023, Sep 2023 – Oct 2023 · 2 mos**

· One month virtual internship under Bharat Interns Program, created and deployed a multi-page web application using HTML, CSS, and JAVA SCRIPT and using APIs.

· Optimized the website for different devices increasing mobile visits by 50% within two weeks, and designed user interface to meet modern UX/UI, improving customer engagement by 15%.

· Optimized webpages and content delivery workflow by creating JQuery components resulting in 15% faster loading time.
